## Cured the Insiders Handbook for Health Care Reform

By Stephen S. S. Hyde

Hobnob Publishing. Paperback. Book Condition: New. Paperback. 490 pages. Dimensions: 8.8in. x 5.9in. x 1.1in. Veteran health care insider Stephen S. S. Hyde says we can cure today's health care crisis by enabling every American consumer to demand the answers to two questions: Which are the best doctors and hospitals for my medical needs and which of them are the least expensive? None of these answers are available now. They should be, and they can be. But to get there we must first correct the fundamental market and regulatory failure that has given us 7 decades of misguided actions by employers, government, insurers, medical providers, and consumers to produce the dysfunctional mess we have today. Hyde reveals how we can have affordable, portable health insurance and high-quality health care for everyone, and how we can double medical quality at half the cost. Why the government must adopt 3 critical regulatory reforms. The 7 key elements of health care reform to achieve 8 essential goals. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This is basically the very best book we have gone through until now. I have read it and I am confident that I am going to go through it once again in the future. I am just very happy to inform you that this is basically the very best ebook we have read in my own life and might be the very best publication for at any time.*
