FLORAL SCAPES AND TANGLED ART: COLORING BOOK

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If you like relaxation, nature and whimsy, Floral Scapes and Tangled Art is the "must have" coloring book for you. While capturing the natural beauty of lovely gardens that have been tangled in the true process of Zentangle® Inspired Art by the very passionate, Certified Zentangle teacher, Brenda Shaver, and her grandchildren, Cecilia and Spencer, you will soon find yourself in that "happy place" where colorists long to be. Over 30 illustrations are hand drawn, pen to paper, with no touch ups or digital modifications. This means that the lines, curves and little circles are not perfect and will add character to your coloring in. You will be inspired and fulfilled whether you are a beginner or an advanced colorist. Floral Scapes and Tangled Art has something for everyone, depending on your mood and feeling of the day. The designs are printed single sided on 60 lb white paper that is suitable for pencil crayons and some pens. If you wish to use watercolor or mixed media techniques, print the pages onto artists quality paper to ensure beautiful results with no buckling. Also printing out the images will ensure that you have extra copies to complete with different coloring tools. Extra sheets are included to place in between the images to prevent bleed through and test your coloring preferences. Brenda believes that each and every one of us is an artist and just like the Zentangle Method, feels that there is no such thing as a mistake. All your colored art will be awesome and ready to frame for a special place in your home or to give as a unique gift.
