Sage Publications/Vistaar, New Delhi, India, 2003. Paperback. Book Condition: New. Dust Jacket Condition: New. First Edition. The dispute between India and Pakistan over Kashmir stretches back to 1947. The two countries have repeatedly gone to war and engaged in low-intensity conflict over Kashmir since then. Sumantra Bose expertly analyses a complex conflict and develops a compelling framework for moving toward a settlement. He argues that a viable approach to tackling the conflict must respect not only the sovereignty and territorial integrity concerns of the countries embroiled in the dispute, but also popular aspirations to self-rule as well as conflicting loyalties and allegiances within Jammu and Kashmir. Bose also compares Kashmir to other global hotspots, especially the peace framework in Northern Ireland which offers important lessons for a similar process in Kashmir. Printed Pages: 320. Size: 14 Cms x 23 Cms.
