

Becoming Black: Creating Identity in the African Diaspora

Filesize: 8.16 MB

Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

(Dr. Kristin Dickens)

Duke University Press. Paperback. Book Condition: new. BRAND NEW, *Becoming Black: Creating Identity in the African Diaspora*, Michelle M. Wright, *Becoming Black* is a powerful theorization of Black subjectivity throughout the African diaspora. In this unique comparative study, Michelle M. Wright discusses the commonalties and differences in how Black writers and thinkers from the United States, the Caribbean, Africa, France, Great Britain, and Germany have responded to white European and American claims about Black consciousness. As Wright traces more than a century of debate on Black subjectivity between intellectuals of African descent and white philosophers, she also highlights how feminist writers have challenged patriarchal theories of Black identity. Wright argues that three nineteenth-century American and European works addressing race--Thomas Jefferson's *Notes on the State of Virginia*, G. W. F. Hegel's *Philosophy of History*, and Count Arthur de Gobineau's *Essay on the Inequality of the Human Races*--were particularly influential in shaping twentieth-century ideas about Black subjectivity. She considers these treatises in depth and describes how the revolutionary Black thinkers W. E. B. Du Bois, Aime Cesaire, Leopold Sedar Senghor, and Frantz Fanon countered the theories they promulgated. She explains that while Du Bois, Cesaire, Senghor, and Fanon rejected the racist ideologies of Jefferson, Hegel, and Gobineau, for the most part they did so within what remained a nationalist, patriarchal framework. Such persistent nationalist and sexist ideologies were later subverted, Wright shows, in the work of Black women writers including Carolyn Rodgers and Audre Lorde and, more recently, the British novelists Joan Riley, Naomi King, Jo Hodges, and Andrea Levy. By considering diasporic writing ranging from Du Bois to Lorde to the contemporary African novelists Simon Njami and Daniel Biyaoula, Wright reveals Black subjectivity as rich, varied, and always evolving.
