With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Future explores the fulfillment of Scripture--the bodily return of Christ. Topics include but are not limited to the primary views of the Millennium (thousand years): Amillennialism--the reign of Christ is now being fulfilled; Postmillennialism--Christ will return after the millennium; Premillennialism--Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Church helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.
