

But Enough About Me: (Audio Book)

Filesize: 1.14 MB

Reviews

*Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
(Dr. Bethany Lindgren)*

Audible/Bolinda Audio, 2016. CD MP3 format. Book Condition: New. Unabridged. 15 x 13 cm. Scandalous, sentimental, frank, and sincere - the ultimate inside account of a television and film icon. Burt Reynolds has been a Hollywood leading man for six decades, known for his legendary performances, sex-symbol status, and storied Hollywood romances. In his long career of stardom, during which he was number one at the box office for five years in a row, Reynolds has seen it all. *But Enough About Me* will tell his story through the people he's encountered on his amazing journey. In his words, he plans to "call out the ****s," try to make amends for "being the **** myself on too many occasions," and pay homage to the many heroes he has come to love and respect. Beginning with Reynolds's adolescence as a notable football player and the devastating car accident that ended his sports career, *But Enough About Me* takes readers from the Broadway stages where Reynolds got his start to his subsequent rise to fame. From Oscar nominations, to the spread in *Cosmopolitan* magazine that remains a notorious pop-cultural touchstone to this day, to the financial decisions that took him from rich to poor and back again, Reynolds shares the wisdom that has come from his many highs and lows. He is also ready, now more than ever, to dish. Through it all, Reynolds reflects on his personal pitfalls and recoveries and refocuses his attention on his legacy as a father and an acting teacher, leaving readers with a classic from one of Hollywood's most enduring and treasured stars. This Is An Audio Book. Duration: 686. Reader: Reynolds, Burt. Number of pieces: 1. CD MP3 format.
