Not illustrated. 1879 Excerpt: .August 26, 1871, that the appropriation referred to should be applied as soon as practicable to the construction of the prism of the canal, but that proposals for such additional work should be invited in the usual manner. The Chief ot Engineers, under date of October 2, 1871, requested an estimate of the probable amount required to reimburse the State of Michigan for sums expended in acquiring land from private individuals, tor modification of the canal, or for acquisition of the land by the United States, under a condemnation act. In reply to request of October 4, 1871, for such information, the Governor of Michigan, in a letter dated Dec. 1, informed me the aggregate amount asked for the additional lands was \$14,000. This information was communicated to the Chief of Engineers on the following day, with the statement that, to acquire the lands, we were...
