Before you answer that question, you might want to read this book. Grip offers more tough questions than Sunday school answers, taking aim at the long-held assumptions of a lot of Christ followers when it comes to wealth, poverty, and generosity. Nudging the church forward with a clear challenge but without a trace of judgment or condescension, Grip is thoroughly biblical and thoughtfully sincere. Written in a simple conversational style, this book is a must-read for anyone who believes the church should be the most generous group of people on earth. To put his money where his mouth is, 100 of the author's profits go immediately to The 25 Group, a non-profit community started by Benton and his wife this past year. Dedicated to serving the global poor, The 25 Group takes the principles in Grip and puts them into action--feeding the hungry, providing clean drinking water for the thirsty, and bringing hope to some of our world's most marginalized citizens.
