With her eye for design and her cut-glass accent, no-one would guess Beth Forrest's impoverished background. It's all throw pillows, china patterns, and upper class brides as she manages the Wedding Registry at Pettett Mayfield, the stately maiden aunt of London department stores. When physics professor James Tetherton-Hart, brilliant in his lab but awkward and disorganised in everyday life, comes to the store in need of both a gift and a partner for a wedding and recognises her, all her careful plans and meticulous checklists are turned upside down. Now her first love is back, determined to make her his partner for life, not just the evening. But unless Beth can let go of the mistaken beliefs that separated them in the past, and appreciate the depth and breadth of God's love for us all, her only gift from the wedding will be another heartbreak. Book 1 in the Love In Store series of sweet inspirational romances. **WARNING** The Wedding List is a Christian romance! Please don't buy...
