

## Planet Google: One Company's Audacious Plan to Organize Everything We Know

By Randall Stross

Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Planet Google: One Company's Audacious Plan to Organize Everything We Know, Randall Stross, Based on unprecedented access he received to the highly secretive "Googleplex," acclaimed "New York Times" columnist Randall Stross takes readers deep inside Google, the most important, most innovative, and most ambitious company of the Internet Age. His revelations demystify the strategy behind the company's recent flurry of bold moves, all driven by the pursuit of a business plan unlike any other: to become the indispensable gatekeeper of all the world's information, the one-stop destination for all our information needs. Will Google succeed? And what are the implications of a single company commanding so much information and knowing so much about us? As ambitious as Google's goal is, with 68 percent of all Web searches (and growing), profits that are the envy of the business world, and a surplus of talent, the company is, Stross shows, well along the way to fulfilling its ambition, becoming as dominant a force on the Web as Microsoft became on the PC. Google isn't just a superior search service anymore. In recent years it has launched a dizzying array of new services...
