Brand New Book ***** Print on Demand *****.Triumph Over Pain, Including Addiction and Obesity This book will revolutionize education, the way we think, and handle all problems - even war. This book proves that it is the money made on problems that prevents the solution. We suffer from lack of ethics. This book leads us to the work that proves that, by working together, without a financial agenda, we can solve our worst problems. If this book is even only half right, why should you not check this for yourself? It is not magic. It is just common sense. All healing must be directed at giving the symptom no reason to exist. It is totally unethical to mask symptoms to protect profit. Some key points that you will learn from this book: Learn why water, salt and a few dietary changes and exercise can triumph over pain at no cost almost every time without any side effects. Learn how TV news specials help save lives by presenting key facts and figures about the water cure protocol, and inviting Hydration Consultants to inform their listeners. Learn...
