

Literacy and Deafness: Listening and Spoken Language

By Lyn Robertson

Plural Publishing Inc, United States, 2013. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. Literacy and Deafness: Listening and Spoken Language, now in its second edition, is intended for speech-language pathologists, teachers, and parents of children with hearing loss. Research shows that literacy levels are generally higher in individuals with hearing loss who have learned the spoken language they are reading. At a time when advancements in technology continue to provide increasingly improved access to sound and spoken language, this book pulls together the dominant research from the hearing world and applies it to the world of the deaf and hard of hearing. The author argues that helping a child learn to listen and speak is the best way to ensure he or she will learn to read and write. For the second edition, the author has revised and updated the content, expanded several chapters, and added four new chapters: Reading Aloud with Children Creating and Using Language Experience Books Music Learning and Spoken Language Development Parenting a Child with Hearing Loss Where Are They Now? Listening and Spoken Language Outcomes With its refreshed and expanded content, Literacy and Deafness: Listening and...
