

Beacon City Metas: Bring on the Bad Guys!

By Jack Norris

James Dawsey, United States, 2013. Paperback. Book Condition: New. Alex Williamson, Dan Houser (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Attention: Have your security clearance clearly visible at all times! The Metahuman Evaluation and Tracking Authority was instituted to keep track of the powerful beings who took the world of Beacon City by storm. It collects data from a number of sources and shares it between various law enforcement agencies and the military. Now, with this first dip into the METAs database, we present you with a new resource for characters for your games. your fellow players from around the globe! Welcome to METAs, a series of supplements for Mutants and Masterminds featuring characters submitted by players just like you! To start you off, issue one features eight fully-statted and illustrated characters, including color commentary from METAs personnel. If that wasn't enough to pique your interest, we included a 5-page article from Maestro Game Designer Jack Norris on how to run a Villainous campaign, Bring on the Bad Guys! With this information at your disposal, feel free to drop these heroes and villains into your game and use them however you...

Reviews

Definitely one of the best book We have at any time go through. It is actually filled with wisdom and knowledge I am quickly could get a delight of studying a published book.

-- Dr. Kim Bergnaum

This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Jeramie Davis
