

Kahlo Art Tattoos

By Frida Kahlo

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 135 x 108 mm. Language: English . Brand New Book. One of the 20th century s most original artists, Frida Kahlo often incorporated themes from Mexican folk art while bluntly recording on canvas many of her personal passions. Details from four of the artist s extraordinary paintings have been adapted by illustrator Marty Noble for this collection of tattoos, including the provocative Self-Portrait with Monkeys, The Little Deer, Diego and I, and Self-Portrait with Collar of Thorns. These haunting images are sure to be prized by tattoo enthusiasts, but will appeal as well to lovers of fine art and to admirers of this important and highly influential artist.
