An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Matt 5:16 The Bible tells us we need to shine before men, but what does this mean and how do we do it? In Shine: How to Walk the Talk, Nancy Segovia lays out a series of simple steps you can take to walk the talk: to love God above all and your neighbor as yourself. Using parables, folk tales, and struggles from her own life, she provides uplifting insights into the Christian walk that can make your first steps easier. She examines scripture for clues on what it means to shine, how to reflect God's love, and what to do when the muddy messes of life blot out God's light in you. You will relate to her failings, those Duh! moments when spiritual understanding begins to dawn. Most important, you will learn how to apply that understanding; you will learn how to turn your talk into your walk and how to help others to do the same.
