Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Felton Hessel)

GORGIAS

Oxford University Press, United Kingdom, 2008. Paperback. Book Condition: New. 192 x 128 mm. Language: English . Brand New Book. The struggle which Plato has Socrates recommend to his interlocutors in Gorgias - and to his readers - is the struggle to overcome the temptations of worldly success and to concentrate on genuine morality. Ostensibly an enquiry into the value of rhetoric, the dialogue soon becomes an investigation into the value of these two contrasting ways of life. In a series of dazzling and bold arguments, Plato attempts to establish that only morality can bring a person true happiness, and to demolish alternative viewpoints. It is not suprising that Gorgias is one of Plato s most widely read dialogues. Philosophers read it for its coverage of central moral issues; others enjoy its vividness, clarity and occasional bitter humour. This new translation is accompanied by explanatory notes and an informative introduction. ABOUT THE SERIES: For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford s commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
