

The Value of Debt in Retirement: Why Everything You Have Been Told is Wrong

By Thomas J. Anderson

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, The Value of Debt in Retirement: Why Everything You Have Been Told is Wrong, Thomas J. Anderson, Increase the odds you won't run out of money in retirement - using debt!Conventional wisdom is wrong - being debt free in retirement may actually increase your risk. The Value of Debt in Retirement teaches you how incorporating debt into your retirement strategy may increase your return, lower your taxes and actually lower your risk. You read that right. If handled correctly, debt-that thing we've all been taught to avoid-can play an integral role in your life, especially in retirement. New York Times Best Selling Author and nationally acclaimed financial expert Tom Anderson shows you how to use the time tested strategies of the best companies and the ultra rich to retire comfortably, minimize taxes, buy the things you have always wanted to have and do the things you have always wanted to do. Thought provoking and against the grain, Anderson explains why your risk tolerance doesn't matter, why being debt free may actually increase your risk and why rushing to pay off your mortgage may be a financial disaster. Full of shocking...

Reviews

It in a single of the best pdf. it had been writtern quite properly and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
